

MPE COUNTERFEIT MATERIALS POLICY

MPE Limited (MPE) understands there is a worldwide problem concerning counterfeit components entering the supply chain and is committed to sourcing components and materials from companies that share our values.

MPE has a very well established and stable material supply chain which has been utilised over many years. MPE is committed to provide quality products and will procure its components from the following sources:

- Original Material Manufacturer
- Authorised Distributor for Material Manufacturer
- Authorised Agent/Representative for Material Manufacturer

Where components are obsolete or become difficult to source MPE will purchase only from known and reputable sources. In the rare event that a situation demands the need to obtain product through alternate sources such as independent distributors or the broker network, MPE will seek to purchase through organisations that are members of a recognised trade body or organisation.

Our sources order history is continually measured for quality, performance and service and MPE maintains an approved supplier list in accordance with our ISO9001 certified Quality Management System.
