MPE Christmas raffle for local charities

On Thursday 14th December, a week before Christmas shutdown, MPE employees staged their annual charity Christmas raffle at Hammond Road. This charity raffle has now been held for 20 years.

Raffle tickets are sold throughout the company, and 20% of proceeds from weekly competitions held all through the year, such as spot-the-ball, also contribute to the prize fund. Further to this, many employees donate gifts to be used as prizes. The top cash prize is then provided by MPE management along with a Christmas buffet for all employees.

More than 80 prizes were won this year, raising £850 to be divided equally between two local charities in conjunction with funds from the Easter 2023 company raffle. Historically the two chosen charities have provided professional care to relatives of MPE employees.

The Christmas raffle prizes

The Claire House Children's Hospice is a Merseyside-based charity which opened its doors in 1998. It aims to support and deliver hospice care for serious and terminally ill children and teenagers, providing physical and emotional support for families and enabling youngsters to live their lives to the fullest. The Claire House charity has two sites, a full hospice on the Wirral and a second site in West Derby, Liverpool, offering day care, complementary therapies, clinics, play and music sessions, and counselling.

The Liverpool CHICS (Children's Cancer Support Group) is a charity for children living with cancer. It offers practical advice and information, parent and teenager support groups and signposting to local events, day trips and activities. It is based at Alder Hey Children's Hospital in Liverpool, which is ranked among the top 15 paediatric hospitals in the world.

Members of the MPE team joining in the fun of the occasion

While this was a fun event, it was a bittersweet moment as MPE said goodbye to Mary Hampson. Mary has retired after nearly 30 years of working as a production operator. Manufacturing Director Marcus Wright made a short presentation thanking Mary for her service and dedication and wishing her a very happy retirement on behalf of everyone at the company.
